Buffet Lunch at Royal Dart Yacht Club

The lunch at 1230 will be followed by an illustrated talk by John Megoran, Chair of Paddle Steamer Kingswear Castle Trust, on progress with the rebuild project of PS Kingswear Castle.

The Wessex and Dart Committee looks forward to welcoming you and our guests to the Royal Dart Yacht Club, Kingswear for lunch at 1230 and a talk following the lunch on progress with the rebuild of PS 'Kingswear Castle'.

Hopefully, this will also be an opportunity to update members on plans for any special sailings on the Dart during the coming summer.

Members who do not wish to join us for lunch will be very welcome to attend the talk, which will held in the Club's Quarterdeck room at around 1415

Steam trains will be operating from Paignton to Kingswear on this day.

For those driving to Kingswear, car parking is available in the car park next to passenger ferry to Dartmouth, entrance immediately on right after Kingswear Railway Station. Alternative parking is available nearby at Darthaven Marina, TQ6 9PH
